

## **MIND Technology and PGS Enter into Supply Agreement**

March 30, 2021

THE WOODLANDS, Texas, March 30, 2021 /PRNewswire/ -- MIND Technology, Inc. (NASDAQ: MIND) ("MIND" or "the Company") today announced that its Seemap unit has entered into a Master Supply Agreement with PGS for the provision of an unspecified quantity of source controllers and related services over an indefinite delivery period.

Guy Malden, MIND Co-CEO, commented, "We are pleased to expand our long-standing relationship with PGS. Under this new framework agreement, we expect to provide advanced source controller technology over the coming years, adding to the GunLink and SourceLink products currently deployed in the PGS fleet."

### **About MIND Technology**

MIND Technology, Inc. provides technology to the oceanographic, hydrographic, defense, seismic and security industries. Headquartered in The Woodlands, Texas, MIND has a global presence with key operating locations in the United States, Singapore, Malaysia, and the United Kingdom. MIND's worldwide Marine Technology Products segment, which includes its Seemap and Klein Marine Systems units, designs, manufactures and sells specialized, high performance, marine sonar and seismic equipment.
